

PaintMiser®
10-in-1 Tool
A new environment-friendly tool
from **HYDE®**

Don't Buy More Paint. Buy a PaintMiser.®

**Get 7% more paint from every can.
Put 7% less hazardous waste in landfills!**

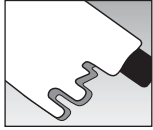

A Huge Market for "Green"! 500,000 professional painters and 26 million homeowners bought paint last year and put an estimated 45 million gallons of paint into landfills! It is the #1 source of household hazardous waste.

For a better finish, start with HYDE.™
